Dear Parent / Carer

Post 18 Parents Information Evening for Year 12 Parents

I am writing to you with details of our **Post 18 Parents Information Evening**.

This takes place on **Tuesday 27th April from 6.00 pm – 7.00 pm** via Microsoft Teams and you will be able to access the event here.

At this meeting we will be outlining the UCAS application process, the guidance and support offered by the school and the role that we feel parents can play in the important decisions ahead.

Speakers will include: Miss Davis, Head of Year 12, Andy Gardner, Post 18 Careers Consultant, who will speak about other opportunities for post-18 education (higher apprenticeships) and both graduate and non-graduate career opportunities. We will also be joined by William Hollis from the Widening Participation and Outreach Team at the University of Nottingham, who will present a university perspective and talk about applying to a competitive university.

Students **do not** need to attend this meeting as they will have their own Post 18 assembly.

Following the event, you will have access to video links with information relating to the following:

- Apprenticeships
- Applying to Oxbridge
- Art foundation courses
- Applying to medical school

Please **CLICK HERE** to access "A Student Handbook – Progression After Sixth Form" written by Andy Gardner for our students on higher education and higher apprenticeship applications.

I do hope that you can join us for what we hope will be a very informative evening.

Yours sincerely

Dr Walton
Assistant Headteacher (Sixth Form)
