

JFS Model United Nations

Friday 8th June

Application information

Who is the United Nations?

The United Nations is an organisation that brings together 193 governments from around the world to promote international cooperation on:

- Maintaining peace and security
- Protecting Human rights
- Delivering humanitarian aid
- Upholding international law
- Promoting sustainable development.

What is a Model United Nations event?

Every year, more than 400,000 people from schools and universities take part in a Model United Nations. In this activity participants assume the role of national UN ambassadors attending meetings to discuss global issues.

Is it for me?

This event is for you if you enjoy working as a team, making decisions and public speaking and are keenly interested in solving the world's most pressing issues.

What is happening here at JFS and how can I get involved?

At JFS we are hosting a Model UN event on Friday 8th June. **The event is open to all years. In your application session you will complete some written questions based on the attached article.** Read the article carefully and research around the topic before you come and bring it with.

Remember to collect your article to read – or you can find here by typing in these weblinks:
