

JFS Extended Services (Summer 2019)

After School Clubs

The following information is about the after school activities including the Enhanced Jewish Studies Programme (EJS) available next term at JFS. The programme is available between 4.00 pm and 5.30 pm on Monday and Wednesday afternoons, offering a variety of activities for students.

The dates for this term are as follows:

Summer Term Monday 13 May – Wednesday 10 July 2019

Information

If you would like your child to participate, there is an online registration available via ParentPay. There is a charge per term for each day attended. For example, for all 8 Monday sessions in the term, there will be a charge of £60.00. This payment is for the 8 week programme and students are encouraged to choose an activity for session 1 and session 2 to participate in the full Extended Services programme. Most of the students choose 2 activities.

The activities are available for all year groups, however, for most of the activities the majority of students are from Key Stage 3 (Years 7-9). Students can be collected by parents or make their own usual way home. To support the scheme the 688 and 683 buses will depart JFS at 5.30 pm. Caterlink will provide food for purchase, via the cashless catering system, which will be available at the end of the school day.

You will find a timetable of the different activities below. If any student (or parent) would like any further information, please refer to the school website, Extended Services page.

Please see the following pages for a full description of the activities which will be available in the Summer Term:

Monday

Tennis
Rounders
Baseball
Photography
Electronics

Wednesday

Fitness Room
Futsal
Cricket
Drama
Jewish Studies
Climbing
Parcour
Cooking Club (Year 10 only)

JFS Extended Services (Summer 2019) Monday

All activities on Monday run from 4.00pm to 4.40 pm (Session 1) and 4.45 pm to 5.25 pm (Session 2)

TENNIS

Students will have the opportunity to develop their Tennis skills through fun games and practices. Students will have ample opportunity to apply these skills within competitive matches and tournaments or collaboratively with their friends through various games.

ROUNDERS

A fun outdoor game - Rounders is a game played between two teams and the aim of the game is to score the most Rounders.

BASEBALL

Baseball is a bat-and-ball game played between two opposing teams who take turns batting and fielding. The game proceeds when a player on the fielding team, called the pitcher, throws a ball which a player on the batting team tries to hit with a bat.

PHOTOGRAPHY

Students will experience a mixture of digital and traditional film photography. They will have the opportunity to use SLR digital and film cameras. They will learn how 35mm film negatives are processed and have an opportunity to print images from a negative and develop these with various photographic techniques. They will also learn to use computer software to edit the digital images they have taken and experiment with effects. Each term we aim to teach new techniques and approaches.

ELECTRONICS CLUB

Do you enjoy making things? Do you enjoy being creative? Then this is the club for you. Learn to attach and solder components onto a circuit board, and then package it in a creative way. You will learn: electronic components, how to solder the circuit and how to design and make a product. We construct a different circuit every term e.g. amplifier speaker kit, timer kit or digital dice kit, and repeat students can see Mr Miguez, for other ideas. (There is an additional £10 charge for materials).

JFS Extended Services (Summer 2019)

Wednesday

All activities on Monday run from 4.00pm to 4.40 pm (Session 1) and 4.45 pm to 5.25 pm (Session 2)

FITNESS ROOM

Our recently refurbished fitness room contains a treadmill, cross trainer, bikes, rowers and steppers. There are free-weights and weights machines, a matted floor area and a screen for video sessions. Sessions will be led by a member of staff with an opportunity for student independent work/focus

FUTSAL

This is an indoor, small-sided version of Football. Futsal develops the overall fundamentals of football and will improve players' skill, touch and technique. The first part of the session will be skills based. The second will be match-play.

CRICKET

Cricket is a bat-and-ball game played between two teams of eleven players on a field at the center of which is a 20-metre pitch with a wicket at each end, each comprising two bails balanced on three stumps.

DRAMA

Students will be enjoying a range of drama activities, from improvisation to role-play and physical theatre, helping them improve their confidence and communication skills. Students of all abilities are more than welcome and the skills they develop will provide the perfect platform for further study in the area of acting and drama.

J-PLUS

A dynamic learning experience offering students the opportunity to take part in a range of activities that will enhance their Jewish identity and Jewish journey.

CLIMBING

Fun and safe climbing activities – come and try! Students will learn how to climb on a variety of climbing routes and take part in a variety of fun. climbing activities. Students will coach each other and develop their confidence, strength and fitness. The climbing wall has a choice of 8 routes which increase in difficulty. When ready students may choose to climb a more difficult route or be more creative in the route in which they choose. Students will be provided with all the kit needed and instructed in the safe use of the facility by our qualified teachers.

PARCOUR

Free running / Art du Deplacement is the primarily non-competitive physical discipline of training to move freely over and through any terrain using only the abilities of the body, principally through running, jumping, climbing and quadrupedal movement.

COOKING SKILLS

For Year 10 students only.
