

Dear Year 10 Parents/Carers,

At JFS we want to ensure your child is provided with a full and rigorous curriculum whether that be at home or in school over the coming year.

In a similar way to last year, we cannot assume students will be able to share books or use books that another student has used previously, especially if taken home and returned. We know how challenging the current climate is for your children and for that reason we are hoping each child will have their own set of books to fully access the curriculum without fear.

You will need to purchase the GCSE texts and we suggest you do this through JFS as we get a school discount. It is imperative they bring these texts to all lessons. This will ensure that your child has access to their own copy of each text to make notes, revise and should the school need to be closed again or your child be absent for a period of time, students can continue their learning at home with no further need for printing. These books will be used through years 10 and 11 and will only need to be purchased once.

We will be providing a pre-printed set of class and homework booklets and are requesting a contribution of £6 for this, so again no need for further printing.

We will be putting the books and the booklets together in a bundle which your child will receive during their first few weeks back in school, in September once they have been purchased. **The total cost is £30 for all the books and the year 10 booklets.**

Please login to ParentPay where you can make the purchase and contribution. We thank you for your support.

If you are eligible for Pupil Premium funding then this will be fully subsidised. If you are experiencing financial difficulty please contact Mrs Collis, collis@jfs.brent.sch.uk for further information.

Yours sincerely,

Mrs N Arnold
Subject Leader for English
