British Values – Computing and ICT

Respect civil and criminal law
Students are taught about the legal implications of:
- Cryptography/Encryption
- Hackers

Students learn about a range of laws relating to the use of IT and the internet:
- Ethics & Laws - KS4/KS5
- E-safety scams
- Digital footprint

Respect for those with different beliefs, faith and cultures
- LGBT and Computer History (Alan Turing) - Year 8

Contribute positively to life in modern Britain
Students are taught about:
- How to use the internet positively including social media
- How to leave a positive digital footprint and the impact this has on their lives including in the years to come
- The history of computing and the influence of key historical figures from the UK in the development of modern day technology
- The dangers of the internet are highlighted to students and they are taught about what todo if they are uncomfortable with any online behaviour or material they see
