

## **British Values - Physical Education**

### **Respect civil and criminal law**

In the PE department we encourage moral thinking; we make the students aware of physical, mental, social and moral choices with regards to taking part, teamwork and competition. We celebrate successes and reward positive behaviour through competitions and extra-curricular opportunities. Students also take part as referees / umpires.

### **Appreciate the viewpoints of others on ethical issues.**

In PE lessons and in clubs we promote and encourage individual expression of the ethnic and cultural values of all students. We encourage and research the discussion of ethical issues through sport at GCSE and A Level in theory work. Through our multi-cultural dance units in KS3 we explore different cultural aspects from around the world and students all participate in expressing themselves with regards to their own ethical and cultural values.

### **Acceptance and engagement with fundamental British values of democracy**

Through club teams in all key stages we encourage students to work collaboratively and fairly with each other. The picking and selecting of teams is completed in a way in which students can feel part of group to achieve. Inter house competitions allows students to work in a community encouraging core British values in society.

### **Projects contribute positively to life in Modern Britain**

Competitions in Brent, the most diverse London Borough, encourage community outreach with many different cultures and backgrounds. Brent representative teams in all sports as well as the London Youth Games take place in addition
