Introduction to Unifrog for parents

What is Unifrog?

- Unifrog believe that destinations - where students end up after school - is even more important than their academic performance. They partner with schools to support students to progress into the best opportunity for them.
- Unifrog do this by providing a one-stop-shop where students can explore their interests, then find and successfully apply for their best next-step after school.

Unifrog introduction for parents

The screenshot shows the Unifrog website interface. At the top, there are browser tabs for 'Unifrog - The complete destin...' and 'Home - Student - Unifrog'. The address bar shows 'unifrog.org'. Below the browser, there is a circular profile picture of a man with a beard. To the left of the profile picture is a video player with a '0:00' timer and a red stop button. The main content area is titled 'WHAT IS UNIFROG?' and 'One-stop-shop for destinations'. It features four main columns: 'Pathways', 'Opportunities', 'Applications', and 'Management'. Each column contains a list of sub-items.
