

Careers Guidance – Information for Parents

Careermag for Parents	Talking careers with your child can be a daunting task. Careermag will help guide you through the maze of Post 16 and Post 18 options, so your child can make a well informed decision about their future beyond JFS. Click here for the latest edition of Careermag.
Career Pilot	The Parent Zone in Career Pilot provides information to parents and carers to help them support their child in making the right decision about study and work.
Success at Schools (Parent Career Magazine)	Success at Schools is a national careers website for students aged 11-19, as well as their teachers, careers advisors, parents and other influencers. Young people can learn about their future career options through no-nonsense careers advice related to their own experiences. As well as covering topics such as career paths, industries, apprenticeships, university and employability skills, we connect schools and students to employers and universities through opportunities on our site and our interactive forums. Millions of young people and their influencers have visited our site for advice and information to help them plan for the future. Click here for latest copy of the parent magazine .
Parents' Guide to Post 16 Qualifications	With the emergence of T Levels. Ensure you are equipped with the knowledge to be able to help guide your child.
